PROFILE

A motivated and career-oriented Bachelor of Business Administration (BBA) student with a strong interest in Banking, Finance, and Business Operations. Passionate about building a successful career in the financial sector through continuous learning, integrity, and customer-centric service. Possess a solid understanding of business fundamentals along with effective communication, teamwork, and problem-solving skills. Looking for an opportunity to contribute to organizational success while enhancing my professional capabilities.

CAREER OBJECTIVE

To begin my professional journey with a reputed Banking or Financial Institution where I can apply my academic knowledge, continuously develop my practical skills, and contribute to organizational success through dedication, integrity, and customer-focused service. I aspire to grow into a responsible finance professional while creating long-term value for both the organization and its customers.
